## **SHAVINGS**

from the Prez . . .

In these very difficult and uncertain times, I sincerely hope that you and your loved ones are healthy and well and remain so throughout this COVID-19 pandemic!

These are strange and unprecedented times indeed! The Severe Acute Respiratory Syndrome CoronaVirus-19 (SARS-COVID-19) (or SARS-CoV-2) is paralyzing our economy, putting large numbers of citizens out of work and forcing social isolation on very social beings! This is a terrible time for us all!

Due to the COVID-19 pandemic, San Diego Woodturners Club activities are suspended until further notice. This includes our monthly meetings, all classes, mentoring, Turn Around for Vets (TAV), the Tuesday Evening Gathering and all other activities where members gather together. This action is consistent with expert advice and government directives. Our club has many members in “at risk” groups and it is imperative that we follow social isolation guidelines in order to protect ourselves and our families as much as possible.

Please remember the SDWT Facebook page where we can show our work and communicate with each other during this difficult time. We are also exploring ways to hold demonstrations and educational sessions online. This period of forced isolation is a good time to work in (or maybe clean) our shops!

The AAW is promoting and we are exploring using virtual demonstrations streamed to our homes during this difficult time instead of formal meetings. Virtual demonstrations, in “normal” times, are not a substitute for meeting and classes. They are adjunctive to the normal activities of the club. These are not “normal” times! So, for now we will work to make virtual content available to club members. More information will follow shortly.

As I have mentioned in earlier editions of Shavings, the AAW is an excellent resource for wood turners. They are working to add useful content during this time of isolation. The AAW is offering 3 months of FREE access to the entire site for first time non-member users so you can check it out. After the 3-month trial period, the AAW still offers limited access to the site. Hopefully, you will like the trial and join!

(continued page 3)

## (Shavings Continued)

As I write this issue of Shavings (March 30, 2020), the San Diego County Fair is still on. At this moment the Fair Board does not plan to cancel the Fair, but they are monitoring the situation closely. The situation is very fluid! If the San Diego County Fair remains open, San Diego Woodturners Club will make an independent decision on whether to participate. **Even though we do not know if the San Diego County Fair will be held this year or if our club will participate, we request that you make tops and pens so that we will have an adequate supply if the Fair is held. Also, please make items for the gift shops to support TAV.**

### **SCAM Alert!**

In addition to our usual scam alert (please see earlier editions of the Newsletter), new scams are being reported involving tax filing delays, tax refunds, Social Security, the Census and now COVID-19. There are reports of phishing emails, robo calls and even people coming to homes to sell non-existent vaccinations and tests. Be vigilant! Maintain a high level of suspicion! Do NOT respond to robo calls, click on links that you do not recognize and report anyone who comes to your door offering COVID-19 tests or vaccines. Remember that the criminals are sophisticated and that the scams are ever changing! Be suspicious and do not let your guard down!

This period of forced isolation is a great time to address those long put off projects and honey dos. It's a good time to make stuff, explore new techniques (safely!) and maybe deep clean our shops. We can and should keep in contact, and even increase contact, with family and friends. We can use the telephone or programs like FaceTime, Skype, WhatsApp, etc. to reach out, talk to and see others.

Let's not be panicked or distressed in this event. Let us keep in contact, help others and remain hopeful for our future.

Practice social isolation, be safe and stay well,

**Brian**

## March 21st Demo Info

# Lathe Raffle

**(TICKETS still For Sale)** When we next convene at our regular monthly meeting, the lathe will be raffled. As previously advertised, Karen Freitas entered a contest awhile back and won a Record Coronet Herald lathe worth over \$1000 for the club. The club has decided that the lathe is too big to move around for use during classes so we are going to have a drawing to allow someone to win a nice new lathe. You will be able to buy tickets for **\$10 ea.** **At the end of our next** meeting we will draw a name to take it home (or we can deliver it if needed). When you buy tickets please put your name and phone number on them so you don't need to be present to win. All proceeds will benefit the club.

## Program Note

As you are all aware of our current suspension of SDWT activities within the club, so to are our scheduled monthly demonstrations. March & April demonstrations have been cancelled and uncertainty remains looking forward as to May and June. Our June demonstration and class with Avelino Samuel is uncertain at this juncture. Stay tuned for more info in the weeks/month ahead for our monthly program and demonstrations update.

As many in SDWT are likely turning during this "Stay Home" time, you are encouraged to show some of those turned items by posting on our Members Facebook page. Need some turning help? Reaching out virtually on Facebook or contact one of our club mentors provide a couple of options. Be Safe.

## **2020 Workshop Information and Sign-up Update**

**Workshop Sign-Up Policy:** A deposit of **\$100** is due at the time of sign-up to save you a place in the workshop. The deposit is refundable if we can fill the spot after sign-up should you have to drop out. The deposit should be sent to SDWT, 9984 Scripps Ranch Blvd #198, San Diego, CA 92131. Note name of the instructor on the check. When announced, sign-up sheets will be available at the meeting. If you are interested in signing up for any of the classes, act quickly (along with your deposit). **Questions: contact Sally or Karen at our next meeting.**

### **Workshop Sign-ups:**

**Workshop with Avelino Samuel.** Avelino is from the Virgin Islands where he has taught IA for 21 years. A furniture maker and decorative piece turner now. He has demonstrated at various symposium to include the Utah Symposium and at AAW symposium. Avelino will have a two day class following his June 20th demonstration. **\$225/class on June 21st & 22nd.** Do an internet search of (Avelino Samuel woodturner) to see some of his work.

**On the Horizon: Workshop class with Alex Snodgrass.** If you have read bandsaw articles or attended a WOOD working show, you would have likely come across Alex Snodgrass and better known as “Mr. Bandsaw” and everything you wanted to know about bandsaw’s. He will be holding a **one day class (\$125)** following his demonstration on Band saw boxes..

**Sally & Karen**

**Interested in above workshops contact Sally at [ProgramChair@sdwt.org](mailto:ProgramChair@sdwt.org)**

As members of the San Diego Woodturners, you may come across an opportunity for us to add to our wood inventory and made available to our membership at nominal cost.

If you hear of anyone needing to move wood off their property please give me a call  
**Dan White (see members only tab (membership directory for contact info or send an email to [GotWood@sdwt.org](mailto:GotWood@sdwt.org)).**

## Turn Around for Veterans (TAV)

Chairman: **Paul Simpson** .

Turn Around for Vets (TAV) is a critical program of the San Diego Woodturners Club. All TAV activities are carried out by a dedicated, unpaid group of volunteers so that 100% of donated funds, designated for TAV, are used to purchase supplies and equipment and to support the program. As always, any one can make a cash or material donation to SDWT, designated for TAV, and receive a letter from our treasurer that acknowledges the gift as a tax deductible item, if otherwise eligible under current tax code.

### Monthly Update:

March started out as a normal month with TAV operating at all three sites. Then the COVID 19 crisis set in and we made the decision to shut down TAV, concurrent with all other SDWT activities. Armed Forces YMCA has shutdown all volunteer activities at Naval Medical Center San Diego until further notice. Camp Pendleton has closed the base for all Non-Federal Entities, read volunteer and charity groups. The VA Aspire Care Center (see photo below) has restricted all residents to stay at the facility except for non-essential travel. Two residents who are members of SDWT, have agreed to make the lathes available to other residents. They are keeping Brian Saunders (TAV Lead at Aspire in addition to being SDWT President) and Paul Simpson informed of their activities, supply levels and the status of TAV equipment. The Art Fest at the San Diego Botanic Gardens has been cancelled. While this shutdown is in affect, we wish all of our volunteers the best of luck and stay safe. **Paul**

# Member-"Chips"

## **Hello San Diego Woodturners:**

Have you checked out the new and improved website? A lot of work is going in to make it a better and safer experience for everyone, if you see something wrong, please let our webmaster know so it can be fixed. If you're missing a badge, look for me at the next meeting! I have a fair amount of them that have yet to be picked up.

If you're already a member, consider also joining AAW, if you think our resources are great, you will no doubt benefit from their pool of knowledge. Check them out at [www.woodturner.org](http://www.woodturner.org)

Remember that as a paid member, you have access to the [SDWT Members facebook group](#) I hope you decide to join the group, it's a very simple way of interacting with other members of the club.

If you are an existing member interested in one of the new wooden badges, the cost will be \$7 per badge and it will include your choice of either magnet or pin attachment. If you need either an extra pin or magnet, those will be \$1.

If you have any questions or you think you might be missing club emails. Let us know either in [SDWT Members](#) or [info@sdwt.org](mailto:info@sdwt.org)

Thank you,

**Esther Assemat (Membership Committee Chair)**

# AAW | AMERICAN ASSOCIATION OF WOODTURNERS

Phil McDonald, Executive Director of AAW, sent a letter (email) to all members on March 31, 2020 announcing the cancellation of the 2020 symposium that was scheduled to be held in Louisville, Kentucky.

In his words: "Today, due to the seriousness of COVID-19, and adhering to international, federal, and state advisories and legal impossibility mandates, the AAW Board of Directors unanimously approved the cancellation of the 2020 AAW Symposium. Complete details about the cancellation, including process for full registration refunds and future plans, will be provided very soon."

## Raffle

As you know we are on hold with club activities and such. We will reconvene with our stupendous and fantastic raffle at that time of our next meeting.

I've been turning in my shop and encourage you to do the same if you're at home. Please do share some of those turnings pictures and post on our SDWT Facebook member page (our virtual "Instant Gallery" if you will). Always amazing to see what members are turning.

In addition, if your looking for some help, our mentors are available to answer questions. Give them a call (Phone No's via Member Directory).

Be safe in you shop and otherwise.

**Jeff Neff - Raffle Committee Chair and Mentor Chairman.**

## Empty Bowls - San Diego

If you happen to be turning a bowl, consider turning extras (prefer 6" to 8" dia), to donate for the annual Empty Bowls event. **SDWT** has been a supporter of San Diego Empty Bowls over the last few years with turned bowls such as shown in the pics (far right and left below).

Sally Ault will continue to collect turned bowls. Cancellation of the event (typically held in May or June) has not been announced yet. Thanks for your support.

**Empty Bowls** is a grass roots project which raises funds to help feed the hungry. Potters (and woodturners) donate bowls, Restaurants and Bakeries donate soups and breads, Many people donate their time; all to create this event. The public comes in, and for a donation of \$20 each, selects their own bowl, enjoys the soups and breads. The Empty Bowls event donates the money to TACO (tacod.org). More info at <https://www.facebook.com/EmptyBowlsSanDiego/>

A big Thanks to those that have submitted bowls to date (see pictures just below). Much appreciated and Thank You!

# Hollow-Pro Tools™

Designed by professional woodturner **Mike Jackofsky** and manufactured in the USA by the *Hunter Tool Company*.

## 1) **The Hollow-Pro Rocket Tool:**

These tools feature a unique negative angle built into the tip. They have been specifically designed to use the Hunter carbide cutters; the negative angle makes the carbide less aggressive and easier to control. Hollow Pro Rocket tools are professional, fast and efficient hollowing tools for making hollow vessels up to about 7" high x about 7" diameter. These 8" tools have 3/8" shafts to allow hollowing through very small restricted openings. The tools use replaceable #1 size carbide cutters and are designed to fit into any large handle with a 3/8" or 1/2" opening. (Tip: place the screws from these handles on the side or top of the tools, so the bottom will slide smoothly on the tool rest).

The round shafts of these tools can be rotated slightly to make clean "shear" cuts and the bent tool is also very useful for undercutting the opening on larger hollow vessels. The kit comes with one straight and one bent tool and includes replaceable Hunter #1 carbide cutters for clean cuts and durability, and a Torx wrench for rotating and replacing the cutters as needed.

2) **The Hollow Pro Calipers** provide accurate measurements in crucial areas of hollow vessels and open bowls.

Hollow-Pro Calipers are precision made from steel and aluminum for maximum strength while maintain a comfortable light weight. The small size will work for hollow forms up to about 8" in diameter and up to 6 1/4" deep. The larger size works for hollow forms up to about 18" in diameter and up to 11 3/4" deep.

For more info and pricing, email Mike at ([info@mikejackofsky.com](mailto:info@mikejackofsky.com) or Visit Mike's Web site: [www.mikejackofsky.com](http://www.mikejackofsky.com).) for ordering and obtaining your Rocket and Caliper tools. You will be glad you did .

# Mentoring Program

Our mentoring program is one of the unique benefits of our club. Our mentors can help with basic to complex turning and teach safety along the way. This is a great way to start out or hone your skills with complex tasks taught by turners skilled in specific areas of turning. Our mentors are volunteers and are dedicated to sharing information on all facets of woodturning.

Rest assured however, that all of our mentors are easy to work with. Most often the mentor opens his/her shop to the applicant at a mutually agreed upon time and schedule.

A list of mentors and their specialties are listed within our Mentor Tab of our [SDWT.org](http://SDWT.org) website (**go to About tab and pull down menu, go then to Mentors**). Phone numbers for the Mentor you have particular area of interest is listed in the (members only area of the web site).. Upon making contact, arrange a time and place. If you have any questions, I am available at the monthly meetings at the raffle table.

I should also point out that the Club also has a program called **“Drop-In”** to help out turners. It meets on the first and third Tuesday of each month. A great opportunity to obtain some help on a particular project or technique with on-site mentors. (see info in this newsletter).

**Jeff Neff – Mentor Committee Chairman**

**“Mentors do not give you a shortcut, but they streamline the process. They invariably had their own great mentors, giving them a richer and deeper knowledge of their field. Their ensuing years of experience taught them invaluable lessons and strategies for learning. Their knowledge and experience becomes yours; they can direct you from unnecessary side paths or errors. They observe you at work and provide real-time feedback, making your practice more time efficient. Their advice is tailored to your circumstances and your needs. Working closely with them, you absorb the essence of their creative spirit, which you can now adapt in your own way.”** From the Book - ***Mastery*** by Robert Greene

# The Last Page - “Cutoffs”

(Odds and Ends)

## “On the Lighter Side”

Photo compliments of Steve Cook

“Saw my neighbor Tammy out early this morning scraping the “My Kid is a Terrific Student” sticker off her minivan.

Guess that first week of home-schooling didn't go so well”

Does anyone know how long toilet paper will last if you freeze it?

I hope the weather is good tomorrow for my trip to PUERTO BACKYARDA. I'm getting tired of LOS LIVINGROOM.

September morning 2050: John opened the last package of toilet paper bought by his parents in 2020.

To heck with toilet paper! I bought dryer sheets. My butt smells like lavender. There is no more static electricity and my old arse for the first time in 20 years is now wrinkle free!

While everything is shut down, maybe they should pave the roads.

## Be Safe!
